## THE STONE OF XONIOS

by  
MANUEL BOUW

HIS NAME IS ZOLTAN.  
A MAD TYRANT, WHO WILL RULE  
THIS QUADRANT OF THE UNIVERSE  
FOR THE NEXT THOUSAND YEARS,  
ENSLAVING MILLIONS OF CREATURES  
ACROSS MANY DIFFERENT PLANETS!

IT'S A GOOD THING WE FOUND  
THE STONE OF XONIOS.  
NOW, MY DEAR, DO STAND BACK.

THE STONE HAS CHANGED COLOUR!

YES, I HAVE CHANGED IT'S  
CHEMICAL COMPOSITION.  
DON'T TOUCH IT!

GRANDFATHER,  
ZOLTAN HAS LANDED!

YES, YES. WE MUST FIND  
A SAFE HIDING SPOT,  
POST HASTE!

KEEP OUT OF SIGHT, HE'S AFTER  
THE STONE OF XONIOS, NOT US.

OH MY, HE'S UGLY.

HUSH, SUSAN.

<MY SCANS INDICATE  
THE STONE IS 25 LEAPS  
FROM THE LANDING SIGHT.  
AH, THERE IT IS!>

# DOCTOR WHO

## THE PAWN OF TIME

by

MANUEL BOUW

HELLO, DOCTOR!  
YOUR TWO CREWMATES  
HAVE TOLD ME MANY  
THINGS ABOUT YOU.

OH, MY WORD!

I TRANSPORTED YOUR  
CREWMATES HERE  
USING AN ADVANCED  
FORM OF TELEKINESIS.  
BUT YOU ARE JUST AS  
FASCINATING, DOCTOR!  
TWO HEARTS, SUPREME  
INTELLECT, AND STRENGTH  
BEYOND YOUR SIZE.

YOU'RE QUITE LUCKY, DOCTOR.  
YOU, AND YOUR CREWMATES,  
ARE TO BECOME CHESS PIECES.  
OF COURSE, YOU WILL NEED  
TO BE FROZEN, AND DUPLICATED  
FOR BOTH SIDES OF THE BOARD.

NOW DO FOLLOW ME TO  
THE LABORATORY, AND  
PLEASE DON'T SWIRM.  
I'D LIKE A NICE,  
PRESTINE CHESS PIECE.

UNFORTUNATELY I'M  
REFUSING YOUR OFFER,  
LIZARDEL.

I AM A TIMELORD, LIZARDEL,  
AND YOU THEREFORE CANNOT  
SIMPLY COMMAND MY IMPRISONMENT.  
I CHALLENGE YOU TO A GAME OF CHESS.  
IF I WIN, WE ALL GO FREE.  
IF I LOSE, I'M SURE WE'LL ALL MAKE  
GREAT CHESS PIECES.

AN INTERESTING OFFER, DOCTOR.  
AND A CHALLENGE I CANNOT REFUSE.  
I ACCEPT!

MARVELLOUS!

VISITORS MOVE FIRST,  
I MUST INSIST.

HOW GENTLEMANLY OF YOU,  
LIZARDEL.

PLEASE, CALL ME ORVOL.  
LIZARDEL IS THE NAME  
OF MY RACE.

MY APOLOGIES.

LATER...

OH, THEY'VE BEEN  
PLAYING CHESS  
FOR HOURS, NOW!

AT LEAST WE'RE  
FREE OF OUR SHACKLES.

A HA!  
I DO BELIEVE THAT'S  
CHECKMATE, ORVOL!

WHAT?! ENOUGH GAMES!  
COME TO MY LABORATORY  
FOR THE FREEZING PROCESS,  
OR I WILL BE FORCED TO  
INFLECT PAIN!

NOW LISTEN HERE, ORVOL!  
WE HAD AN AGREEMENT,  
AND IF YOU RENEG ON  
THAT AGREEMENT, YOUR  
NAME WILL FOREVER BE  
KNOWN AS WORTHLESS!

SOON...

I CAN'T BELIEVE THAT  
WORKED, DOCTOR!

YES I AGREE.  
NOW, DO REMIND ME  
TO BOOST THE TARDIS'  
SHIELDS IN THE FUTURE.

POLI

THE END

# DOCTOR WHO

## CLOUD 9

by  
MANUEL BOUW

# MASTER PLAN

by  
MANUEL BOUW

DEEP WITHIN THE ARMOURY OF THE  
US ARMED FORCES INFAMOUS AREA 51...

WHOO!  
WHOO!

PERFECT! THE SOLDIERS ARE  
SO BUSY PROTECTING THE  
PERIMETER, I CAN MOVE RIGHT  
IN AND INITIATE MY PLAN!

HEY!

OH WELL, I GUESS SOME  
BLOODSHED IS INEVITABLE!

WHOO!

BOOM!

ARRR!!!

SOON...

EXCELLENT, A MODIFIED  
FAT MAN ATOMIC BOMB,  
WITH A BLAST YIELD OF  
21 KILOTONS.  
JUST WHAT I WAS AFTER!

WHOO!  
WHOO!

WHOO!  
WHOO!

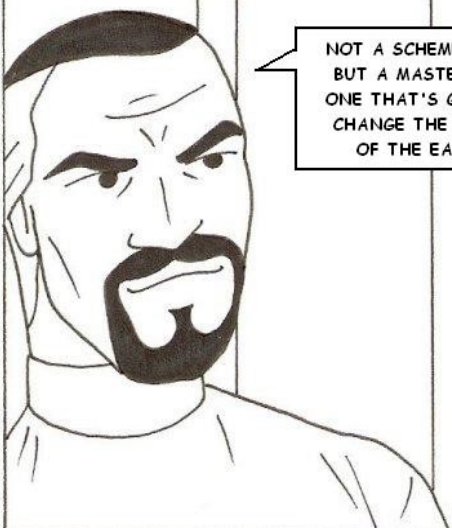

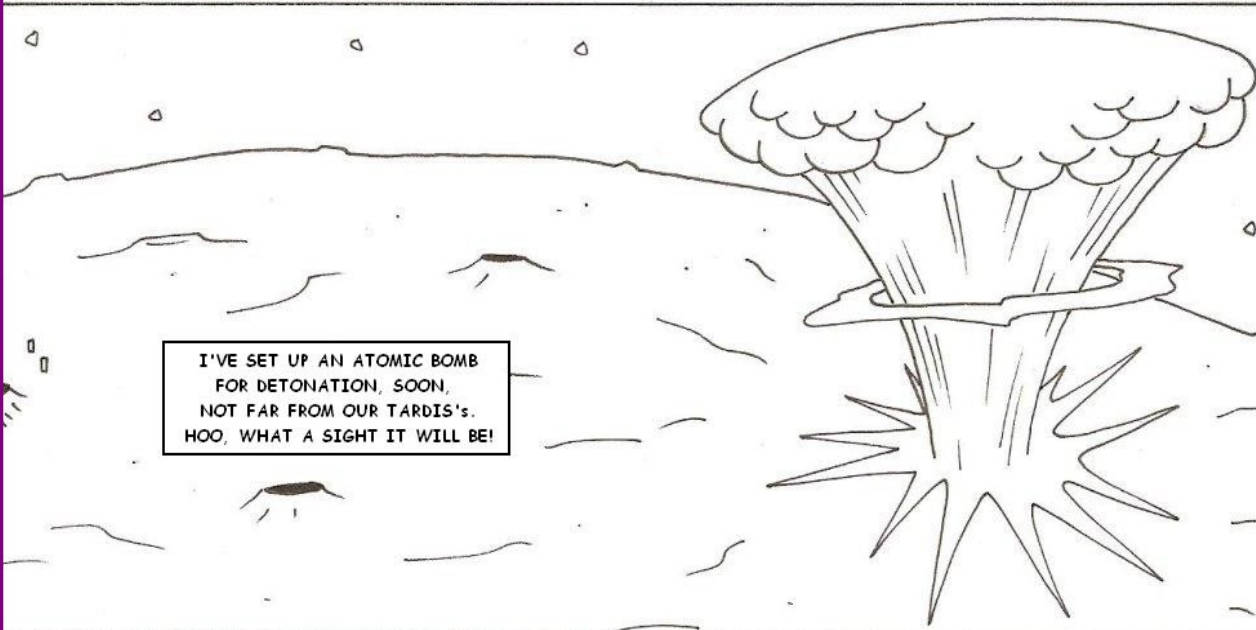

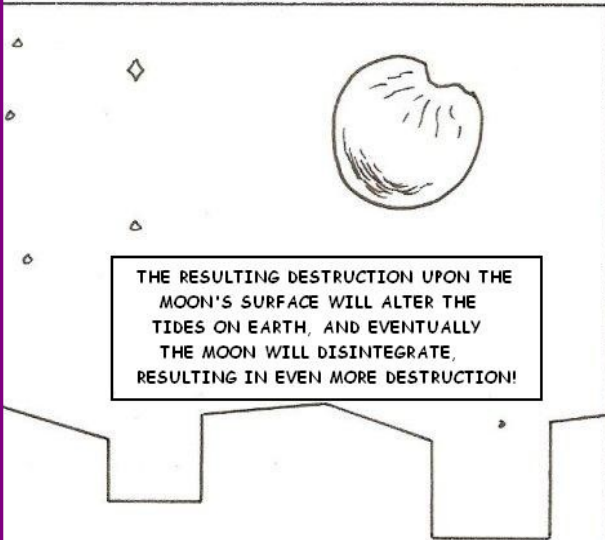

OKAY, MASTER,  
OUT WITH IT.  
WHAT SCHEME HAVE  
YOU GOT PLANNED  
THIS TIME?

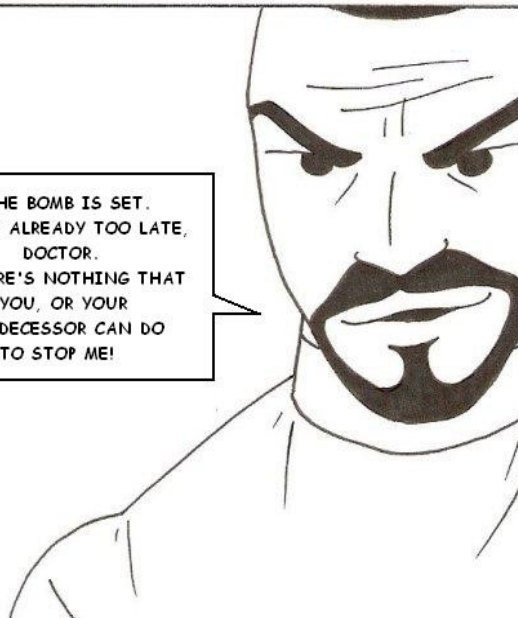

NOT A SCHEME, DOCTOR,  
BUT A MASTER PLAN!  
ONE THAT'S GOING TO  
CHANGE THE COURSE  
OF THE EARTH!

I'VE SET UP AN ATOMIC BOMB  
FOR DETONATION, SOON,  
NOT FAR FROM OUR TARDIS'S.  
HOO, WHAT A SIGHT IT WILL BE!

THE RESULTING DESTRUCTION UPON THE  
MOON'S SURFACE WILL ALTER THE  
TIDES ON EARTH, AND EVENTUALLY  
THE MOON WILL DISINTEGRATE,  
RESULTING IN EVEN MORE DESTRUCTION!

THE BOMB IS SET.  
IT'S ALREADY TOO LATE,  
DOCTOR.  
THERE'S NOTHING THAT  
YOU, OR YOUR  
PREDECESSOR CAN DO  
TO STOP ME!

WRONG, MASTER!  
ONE FLICK OF MY SONIC  
SCREWDRIVER, AND I SET OFF  
THE BOMB INSIDE YOUR TARDIS.  
I'M SURE YOUR SHIELDS  
ARE IN OPERATION?

A BOLD MOVE, BUT THERE IS  
NO WAY YOU COULD REGENERATE  
AFTER A NUCLEAR EXPLOSION.

THAT MAY BE SO, MASTER.  
BUT IT'S WORTH IT.  
WE'RE TALKING ABOUT THE  
ENTIRE HUMAN RACE!

POW!

FOOLISH DOCTOR!  
I SEE I'LL HAVE TO  
DESTROY YOU MYSELF!

BAM!

STOP IT!  
JUST STOP IT!  
WHY ARE YOU DOING THIS?

I HAVE MY REASONS,  
DOCTOR!

OOMP!!

BUNT!

GOODBYE, DOCTOR.

WRRR!

SOON...

NEVER THE LESS,  
I BELIEVE I HAVE  
A SOLUTION!

FIRSTLY, I'LL USE SOME  
OF THE TARDIS'S SHIELD  
TO WRAP IT IN A COCOON.

NEXT, WE TAKE THE  
TARDIS AS CLOSE TO  
THE SUN AS POSSIBLE.

WITHOUT  
100% SHIELDS?

...  
OKAY, WE'LL HAVE TO  
BE A BIT CAREFUL NOW.

SOON...

WHOOP!

IS IT JUST ME,  
OR IS IT HOT IN HERE?

DON'T START.  
YOU'RE JUST LUCKY  
I FOUND A SOLUTION!

WELL, THE MASTER'S GONE,  
BUT AT LEAST WE SAVED  
THE EARTH.  
ALL IN ALL, A JOB WELL  
DONE I'D SAY, DOCTOR.

I WOULD HAVE TO AGREE  
WITH YOU, DOCTOR.  
NOW, IF YOU DON'T MIND,  
I'D LIKE TO RETURN TO  
MY TARDIS.

OF COURSE.

SOON...

**WHOO!  
WHOO!**

HOW'S THAT FOR STEERING?  
EH, DOCTOR?

YOU KNOW, THERE'S  
SOMETHING I'VE  
BEEN WONDERING...

...IT GOES AGAINST THE  
TIME CODE, BUT HOW DO  
I DIE, EXACTLY?

GOOD ENOUGH FOR ME.  
FAREWELL, DOCTOR.

YOU KNOW I CAN'T TELL  
YOU THAT, DOCTOR.  
BUT I'LL SAY THIS, WHEN  
IT HAPPENS, I'LL BE WATCHING.

FAREWELL, DOCTOR.

## *Manuel Bouw ... The artist speaks...*

**Hi, my name is Manuel Bouw**, and I hope you enjoy reading my Doctor Who fancomics in this *Special Edition* of **Sonic Screwdriver**.

I currently live in Mooroolbark with my wife Tanya and our two gorgeous daughters, Annaliese and Chelsea. I also work for a superannuation firm in Melbourne's CBD, which I think is a terrific 7-5 job. But, when I'm not working or spending time with the family, I'm usually working on a fancomic, or pre-planning a future fancomic! It's a bit of a juggling act, so sometimes I find myself at the drawing board at some crazy times, like 2AM on a Saturday morning ...

Sleep? No thanks!

There's a lot of pre-planning which I do before I even start to draw the fancomic.

Since I write the stories as well, I have to make sure that:

- a) it fits in with the Doctor Who cannon,
- b) that it hasn't already been done before,
- c) that the stories and actions stay true to the characters, and finally
- d) that its fun for you to read!

I also spend some time sketching the characters to get their look right. Sometimes it works, sometimes it doesn't. But I try to find traits which I include in each character (Tennant's sideburns, for example) which makes it easier for the reader to recognise. The hardest part is getting the same look for each character in each panel.

Once the page is illustrated on a standard A4 sized piece of paper, it's then inked, and then scanned onto my PC, where I clean up any unwanted marks or smudges, and include the lettering. I use the lettering tool on my PC, because it's a lot clearer than my own handwriting, and easier to edit if I make a mistake. The whole page is then saved as a jpeg, and that's it!

I'm been drawing ever since I remember. When I was 11 (in the early '90s) I started to read The Amazing Spider-Man comic so I have a love for that character. There is also James Bond movies which I enjoy, Star Trek (TOS and TNG), and of course, Doctor Who.

I have a twin brother, Maarten, who loves to draw and read comics too, which is great because I can throw ideas off him, and get his opinion on my stories and artwork. I'm slowly getting him around to watching Doctor Who (so far he's only watched The Long Game) but he's busy with his projects, so it might take a while.

We are both currently working on our own comic-strip submissions for a New York based comic firm, but according to their guidelines, we both have a 3 in 5,000 chance of success. Whilst it may be a long shot it sure is fun!

My dream though is to get a job with the Doctor Who production office, either storyboarding the episodes, or designing new characters. Man, that'd be sweet.

And lastly, my favourite Doctor is Christopher Eccleston, wanna fight about it? :)

*Manuel*

# Coming Soon.....

## Exclusive Preview

# Legendary Costuming and Sewing

A.B.N.:14 460 631 417.

## Costuming

Costumes made for all occasions.  
Historical, fantasy and children's costuming.  
Costumes for Bridal Parties.

## Everyday Clothing

Clothing made for all occasions – everyday, formal, men's, ladies  
and children's wear.

Alterations, hemming, zips, buttons and buttonholes.

If you have a project that you need sewn and are unsure if it fits in-  
to the above categories, then ask and we can discuss it.

Phone: Kerry Hughes.
